### EXHIBITOR TESTIMONIALS

This is a great opportunity to network with qualified veterans and get a potential hire. Quality candidates came prepared and ready to talk about their experience.

By far, the best job fair you will attend this year! The RecruitMilitary team sets a new standard for the industry.

The RecruitMilitary job fairs are the best! Great locations, amazing on-site support, the ease of the QR codes for employers & candidates, the on-line tool to review candidates, add notes etc.... By far my #1 top pick each year!

It was a fantastic way to engage veteran talent.

Great organization to work with. Very well established and organized events. Good candidate flow. Great all the way around.

Good quality candidates and all of the staff was easy to work with.

It's a good opportunity to get your name out.

The variety of participating exhibitors was excellent. Lots of nice people with basic understanding of their company needs.

Great chance to practice your pitch.

The QR code process was excellent.

The variety of professional opportunities present at this fair are better than at other fairs.

Excellent experience.

At the event, veterans were treated as priority applicants and some vendors have "hiring veterans" as a part of their mission. The number of exhibitors is excellent. Try them.
