EXHIBITOR TESTIMONIALS

I loved everything about it -- being in the stadium, meeting other employers, learning about other industries, meeting our vets, etc.

10/10 -- organization of the event, the ability to follow up with candidates, and the quality of candidates.

Outstanding job. The veterans were quality people. Overall very impressed.

Great event for a great cause. Very well structured, organized, and excellent communication. Very professional and great turnout.

It a great opportunity for our veteran population to network and see what positions are available. Staff was great!

I recommend RecruitMilitary all the time.

Great experience.

I thought it was top notch. Venue, organization and quality of candidates were excellent. Veterans have a tremendous amount of talent and experience.

I got great candidates!

It is an excellent opportunity to network with veterans. It's always a pleasure to talk with these women and men to learn about their experiences and to offer encouragement and job opportunities. Candidates have a wide range of skills to offer. Be willing to think about this as a long term investment -- networking doesn't always have immediate results.

Always a great experience -- world class operation.

Awesome event!

It's an excellent opportunity for employers to hire high quality candidates.

It's a well-organized event with great opportunities and friendly staff.

Great venue and a lot of good companies participated.
