It is not uncommon for some candidates who attend to be displeased with the event because they did not secure the job they sought. We seek to continually improve the Career Fair experience for both clients and job seekers and will continue to explore ways to do so.

EXHIBITOR TESTIMONIALS

Very well organized. It was a good event that we will attend again.

This was a great opportunity for networking.

I liked all of it. No changes needed.

This is a great way for veterans to start exploring their options outside the military and to set themselves up for success.

Location was beautiful.

Overall impressions were great! I like the coordination, the set up, and even the other vendors that showed up.

This a great way to network and explore some of the options service members may have on the way out of their military careers. Overall the event was great!

Great amount of vendor participation.

Great candidates, well organized events with professional support.

Quality of candidates is much better than we see at general public events.

Great experience. Busy! Lots of candidates.

JOB SEEKER TESTIMONIALS

You must attend the job fair. It was awesome for transitioning from active duty.

You should take advantage of a RecruitMilitary job fair event. Not only do you get to speak with recruiters, but you also hear from different organizations who support military like DAV.

It's a great place to see what's out there.

This event is so informative and a great way to network. I learned about companies I never considered and met some great people. Also, if you can get there early, definitely go to the pre-event. It has some vital information.

Very organized and a variety of industry opportunities.

I have been to many job fairs and normally it is not my favorite thing to do. However, the DAV/RecruitMilitary job fair on NAS Jacksonville was one of the best run events I have attended. There was a good variety of employers, real conversations, and the job seekers were encouraged to interact. I couldn't ask for more.

The job fair events are great for networking. They have exposed me to companies and industries that I did not consider for employment.

If you are in need of a new role, these events are invaluable.
