Excellent in every way. The caliber of candidates was fantastic and the event, as well as the on-site support, was perfect. Well done and looking to attending the next event!

The quality of candidates and the organization of the event was amazing!

Very professionally carried out. QR codes to track candidates is such a great tool. Organization was top notch and the whole process from start to finish was exemplary. I can't say enough about how well this was put together and carried out.

It was a very positive experience. The event was well organized and we met great candidates.

It was a great experience! I really loved the QR code and being able to easily connect with the candidates without the paper trail. There was also a great turn out for the event.

I liked every aspect of the event. I would definitely attend another DAV/RM event.

I was blown out of the water. As a veteran, I love seeing that there are fellow veterans helping each other be successful. I am honored to have had the opportunity to be a part of this mission.
