EXHIBITOR TESTIMONIALS

RecruitMilitary events always have great candidates and, unlike other job fairs, these candidates are prepared, engaged, and have the added support from the RM staff on-site. It is also a great way for me to expand my network and our presence in various geo-markets. I often recommend RM to my colleagues as well as my network, whether it is to attend as an employer or as a job-seeker!

It was a great event with great candidates.

RecruitMilitary is a great organization that has a strong brand. Veterans rely on this organization to aid them in their job search.

The event was great. Support was awesome. Will definitely be recruiting at more events in the future.

RecruitMilitary events are a great opportunity to connect with transitioning service members, veterans, and military spouses. Their events turn out a large crowd of diverse candidates and give you the outlet to showcase your company in each particular talent market.

Great potential to hire military vets, who are valuable prospects for employment.

Great candidate pool, very nice set up with plenty of space and opportunity to talk to the candidates.

We love supporting veterans. The event was well executed.

DAV/RecruitMilitary does a great job promoting this event.

The veterans at the career fair had a wide range of experiences and backgrounds. They were enthusiastic and had great communication skills. Many had great leadership and management skills too. Several of the candidates we talked to were very well qualified for positions at our agency, and their military experience will be a real asset. We should definitely participate in more veterans job fairs in the future.

My colleague and I thought it was a really great recruitment event. We were impressed by the veteran candidates and the organization.

There are plenty of opportunities available and you will learn something as long as you are open to communicate with any/all vendors.

Talk to everyone. I had some of the best conversations with people I hadn't even planned on talking to.
