**EXHIBITOR TESTIMONIALS**

The venue was fantastic! I think having this event at AT&T Stadium helped ensure there were a lot of participants. (Manufacturing recruiter)

Many more engaged candidates, higher number of attendees than other job fairs. Many were very interested in being hired rather than just window shopping. (Energy & Utilities recruiter)

I have attended RecruitMilitary events for a number of years and I always find great candidates. I have attended events at the bases, and a myriad of general job fairs. The labor pool at your events seems to be a higher caliber. (Defense recruiter)

Excellent number of qualified candidates. (Government recruiter)

Great event. Lots of candidates. Great support by RM team. (Information Technology recruiter)

The best event for qualified veterans. (Defense recruiter)

We attend a lot of RecruitMilitary job fairs because they are really good. Great candidates come prepared and ready; great locations; awesome team. (Government recruiter)

OUTSTANDING! I always appreciate the hospitality of the RM staff. I feel like at every event the red carpet is rolled out for us. Thank you! (Transportation/Logistics recruiter)

Good source of information for job seekers. (Air Force E-8)

Overall, the job fair was fantastic and I really enjoyed the event. (Navy E-5)

The participating companies were very friendly and even if you do not have interest in their opportunities, they will give you information on companies who may likely use your expertise. (Navy E-4)

The prep talk in the waiting area before hand was a plus. I really enjoyed the explanation of how to maximize the use of our LinkedIn accounts. (Army E-3)

I was able to meet with hiring managers for positions that I had applied to the night before. Excellent! (Air Force E-5)
