EXHIBITOR TESTIMONIALS

Great location, especially with the event being in conjunction with a large veteran's conference. I recommend doing it this way again next year.

Great way for employers to find talent and for job seekers to find a large number of employers with thousands of job openings in one location.

This is the one to attend!

Great, organized, and exciting event. No changes needed.

This event is a must-attend due to the great employers present.

You will get several potential applicants making it a worthwhile event. It is well organized and provides excellent spacing and amenities so that you can be successful in recruiting.

Well organized venue with lots of potential applicants. We have had some good feedback and will continue to monitor the folks that showed interest. We would absolutely love to participate in the next one!

Well planned and well attended event.

JOB SEEKER TESTIMONIALS

This format provided access to several possible work leads / representatives, all of whom were friendly and professional.

It's a very good opportunity to network.

Definitely worth a visit. There are some great job opportunities and all the vendors were very friendly.

Good exposure to various organizations hiring outside the norm.

Sometimes in the pressure of a virtual capable world, you need the in-person contact to ease worries of job seeking.

It's an amazing opportunity to showcase yourself and speak with someone in an organization you may want to work with.

It was useful. A very good experience.

I would tell fellow veterans to attend to further progress in networking and obtain more future career focused connections.
