## Event Feedback

### EXHIBITOR TESTIMONIALS

It was put together well and there is a lot of support offered. Thank you! (Manufacturing recruiter)

The event is well-run and organized in an efficient manner. (Financial Services recruiter)

Good candidates and great support on site. (Defense recruiter)

I thought the site, setup, and quality of the candidates were top notch. Well worth the time and expense. (Non-profit recruiter)

This is a very effective way to network with a multitude of organizations and individuals who are actively-seeking veteran talents and skills, which allows for better job placement results. These events are a great way for veterans to achieve visibility with a wide variety of employers, schools, and service organizations. (Defense recruiter)

Good event, well supported. Focus on veterans is good. (Engineering recruiter)

Great group of people, helpers, and applicants. This was a lot nicer than other job fairs. Go check it out. Great opportunities and very friendly people. (Retail recruiter)

### JOB SEEKER TESTIMONIALS

Venue was great. The instructions/ pep talk we got before starting was nice -- very informative and helpful and also helped me relax a little. Very good experience. (Branch / Rank not indicated)

The number and variety of participating exhibitors was very good. (Air Force E-4)

I really like the size of the job fair and the setup. I felt I got some positive leads on jobs. (Navy O-5)

The pre-event communications were excellent. So was the organization of the event. (Military spouse)

I really liked the wide variety. All sorts of vendors that relate to military skills, including heavy equipment skills as well as jobs in cubicles. It was the right size and several employers had both a professional recruiter from out of town as well as a local person that would really know what it is like at that business. Excellent experience. (Air Force E-5)
