It is not uncommon for some candidates who attend to be displeased with the event because they did not secure the job they sought. We seek to continually improve the Career Fair experience for both clients and job seekers and will continue to explore ways to do so.

EXHIBITOR TESTIMONIALS

This career fair is a great way to broaden the candidate pool and speak to people looking for a variety of different job opportunities. I really liked the organization and how easy the registration was, along with the day of checking in and setting up. Everyone was extremely helpful and friendly through the entire process.

Exceptionally well run and attended event.

The event was put together so well and ran so smoothly. The candidates were great. Genuinely felt worth it to attend!!

The event was very well organized and well attended. The candidates we met were also very applicable to what we are recruiting for. Will definitely propose to attend again, and hope there are multiple opportunities to attend in a given year.

Great experience. Great event!

Very well planned and communicated. The site was outstanding.

Keep up the good work connecting vets to jobs.

There were lots of attendees. The atmosphere was great! The hall was beautiful. It was nice to see how many attendees were there. The vendors were really taken care of.

There is certainly plenty of opportunity to talk to many different candidates. The QR system makes things very easy and organized.

Definitely worth the time. I like the organization and the QR codes so I could take notes to remember each person that visited our booth.
