The staff is great and so is the QR code system. RecruitMilitary is a great company.

Good experience, mission, and candidates.

Nice event with candidates that have very diverse backgrounds.

The advertising was excellent. I even saw it advertised on the local morning news! Candidates were well prepared, the QR system was excellent, and the lunch was fantastic!

It was a good opportunity to meet new candidates. The staff was friendly and the facility was great.

I liked the communications leading up to the event and loved that job seeker activity could be tracked with their QR codes. RM is well-connected and effectively executes their events.

The hospitality, event space, and event coordination made it comfortable and easy to participate. The turnout was good and there was a consistent flow of candidates throughout the timeframe.

Great event that gets veterans in front of employers who know the value behind hiring veterans.

This was my 3rd event. The quality of the hiring companies is always impressive along with the location.

This event is well worth it! You will find quality candidates and excellent networking opportunities. I enjoy the support and QR/tech features.

It's a great recruiting event -- quality candidates, awesome venue, great support, and terrific networking opportunities.

Military veterans have many of the attributes that I am seeking in a new hire. RecruitMilitary and DAV brought them to us in the career fair.

It is worth the time. It is a great opportunity to bring quality candidates in the door.
