EXHIBITOR TESTIMONIALS

This is a good opportunity to meet military veterans who can bring unique backgrounds and perspectives to our workforce.

Everything I experienced was a great success. I especially loved the QR code system - very easy to use and efficient!

Great opportunity to meet quality candidates.

I appreciated how organized everything was and the QR code system was great. Communication was thorough and I felt prepared going into it. I can't think of any improvements.

Great candidates.

From communication to organization, the event was great for businesses looking for help. Will be attending again in the future.

The event was good. Solid stream of candidates.

Good event and lots of traffic!

JOB SEEKER TESTIMONIALS

It gives you the opportunity to interact with prospective employers and also opens up doors to other opportunities you probably didn't think about.

Excellent event.

Great mix of opportunities.

Come with a smile, employers are seriously wanting to hire.

Go speak with a company even if it doesn't seem like they have the opportunities you're looking for.

Very well done event.

Lots of employers, opportunities for everyone

It's an excellent place to interact with recruiters! I found it more comfortable to engage directly rather than only through a website. I'm also reassured by physically showing my resume and having an opportunity for informal discussion.

It a great opportunity for networking and researching different areas of employment.

This job fair has plenty to offer with multiple industries and career paths. Would recommend to anyone.

Definitely go to an in-person event.

Great opportunity to make an impression on hiring managers.
