### EXHIBITOR TESTIMONIALS

Best career fair in years! Perfection and support in every aspect. By far the best career fair experience post Covid!

The quality of candidates that came through was better than any other career fair.

All around great experience. Since COVID, career fairs have generally been less effective. This fair was well set up, and the candidates in attendance were prepared and impressive. Thank you for a great event!

I've already recommended this event to a couple of colleagues.

The job fair was extremely well-organized and valuable. There was a great variety of employers, helpful staff, and plenty of opportunities to network. The veterans left feeling informed, motivated, and confident about their career options. Definitely a 10/10 experience!

Not only the cause, but the number and quality of candidates made it worth our time. The platform made it easy to follow up with candidates after the event.

Well organized and hospitable environment.

The venue was good, parking was easy, and on-site support was helpful. Good way to meet employers or candidates.

### JOB SEEKER TESTIMONIALS

Great potential for useful networking with companies/recruiters.

Lots of great opportunities to see what is out there. And great recruiters who are military themselves so they understand the transitions.

I would tell my fellow veterans that RecruitMilitary cares about veterans and understands what it's like to transition out of the military. They have great careers for veterans.

It helps our community cut past to the hiring managers.

It is a great opportunity to gain exposure to large companies looking to hire.

One of the better job fairs. Good variety of employment opportunities.

It was great to speak with the veteran side of the companies that were represented at the event. It was also good to find out about different processes for vets within the companies.

Friendly and helpful employers.

This was a fantastic experience to get acquainted with companies in the area, learn specifics about their listings, and network for follow-on discussions about the roles.
