EXHIBITOR TESTIMONIALS

It was a great experience. Great staff. Easy to meet and track job seekers.

I would say this is one of the better job fairs I've attended as both a job seeker and an exhibitor. As previously mentioned, the event is well-organized and manned appropriately to assist as needed. The event is well-organized and well-advertised. Additionally, the venue information was clear and easy to follow.

The planning and organization was spot on. The event never missed a beat and there are incredible opportunities. I enjoyed the event from start to finish -- working with new people and meeting candidates I normally would not get a chance to. Wouldn't change a thing.

The turnout was much greater than I expected and filled with an incredible amount of engaging conversation.

This was my first RecruitMilitary event and it was amazing! So organized and easy to navigate as an exhibitor!

If you want to make connections with some amazing people in a super simple way, then RecruitMilitary is the way! Seriously, everything was fantastic!

Quality event. Staff was extremely helpful and attentive.

Large number of candidates.

Very diverse and put together well. Very professional and staff was helpful.

This event had a lot of positives. It gave military members and vets access to many great companies. We got to answer questions live. Everyone working the event was very helpful.

JOB SEEKER TESTIMONIALS

It's a great opportunity to connect with people who understand your background, learn about career paths that value military experience, and get real-world insight into how to apply your skills in new ways.

That staff was fantastic and the job opportunities are great.

I'd recommend this to any fellow veteran. It helped me sharpen my skills and, more importantly, opened my eyes to different directions I could take with my career. Sometimes, we get stuck thinking we can only do one thing after the military, but this gave me a clearer picture of what's out there. If you're trying to figure out your next move or just want to grow a bit more professionally, I think you'd really benefit from it.

Great opportunity to meet recruiters and get noticed.

This job fair provides an abundance of options and will help you network within the community.

Amazing organization and a variety of employers.

This event is worthwhile and I definitely recommend taking the time to attend.

This event is a great opportunity to talk with industry recruiters outside of your perception of where your military skills fit. I recommend that you talk to everyone and ask questions about transferable skills. Most of these companies show their interest in your commitment to service over exact match skills. This is a huge plus for the veteran community.

Best job seeking experience I ever had!

Great opportunity to meet companies who actually are interested in hiring veterans.

Outstanding experience all around. Very smooth from beginning to end!
