JOB SEEKER TESTIMONIALS

The tips and hints provided through email leading up to the fair were outstanding. Very helpful. Site was well laid out and a very good venue. (Army E-7)

Some of the vendors were very helpful. Even if they could not take resumes on site, they would look over them and provide feedback on how to make them better and stand out more. (Army E-5)

Great reception and overview. Participating agencies were very informative. I also liked seeing college representatives. (Army W-4)

Great location, easy access, great set up. Information about employers was good, which allowed me to prepare for the event. Small number of employers and job seekers was great as it made it easy to navigate the venue and speak one-on-one with representatives / recruiters at each station. (Army O-5)

As always, you guys do a great job!!! (Branch / Rank not indicated)

Great experiences from all the vendors. (Marines E-7)

The jobs fair was excellent and I had great conversations with different resources. (Army E-8)

It was an amazing opportunity for a sailor like myself to interact (face-to-face) with companies and gain meaningful contacts / networks. (Navy E-4)
