Small crowd but great prospects. (Education recruiter)

We strongly believe in hiring veterans. The job fair is beneficial as it gets our name out there to possible candidates. This job fair was the best one I have attended based on the positions we are recruiting for. It was an overall good experience. (Environmental Services recruiter)

Today's experience was great! We are hiring in the Louisville, KY area and it looks like we will have some drivers in the future working for us there. Great location. (Transportation / Logistics recruiter)

I would most likely recommend RecruitMilitary. Worth the investment. Good cross-section of experience among the vets in attendance. (Engineering recruiter)

Dress to impress like you're going to an interview. I had an interview on the spot for one job and scheduled another interview for the next day. I set up a couple more to contact me at a later date for interviews. So show up, dress up and smile! (Air Force E-4)
