*It is not uncommon for some candidates who attend to be displeased with the event because they did not secure the job they sought. We seek to continually improve the Expo experience for both clients and job seekers and will continue to explore ways to do so.*

## Event Feedback

### EXHIBITOR TESTIMONIALS

This job fair had a great turn out and was very organized. (Law Enforcement and Security recruiter)

Overall, good experience. There were good quality candidates. (Manufacturing recruiter)

Even if the number of participating candidates isn't high, the quality of those participating is very good. (Retail recruiter)

The quality of candidates and volume makes this an excellent event. This is the only military / veteran event we participate in now. Other events do not provide us the same quality of applicants in the fields we are looking for. Well worth the cost and effort. Great return on investment. (Construction/Building Supplies recruiter)

Great experience. The number of job seekers was good, and they were great potential candidates. (Government recruiter)

It is very organized and very helpful! The amount of people attending was far greater at this job fair than I have seen at others. (Government recruiter)

### JOB SEEKER TESTIMONIALS

I liked the exposure to several potential employers all in one location. (Military Spouse)

Great networking opportunity. (Marines O-4)

The event coordinators and employers were very professional and enthusiastic about helping the participants in finding potential employment. (Marines E-6)

The security of event, it being well organized, the communications, and accessibility were all positives. (Air Force and Army E-5)

Well put together! (Army E-6)

There were a number of prospective employers. (Air Force O-4)

Expect the unexpected. The fair contained vendors from different industries (law enforcement, education, retail, restaurants, etc.). There was a good variety of participating vendors. (Navy E-5)
