It is not uncommon for some candidates who attend to be displeased with the event because they did not secure the job they sought. We seek to continually improve the Career Fair experience for both clients and job seekers and will continue to explore ways to do so.

Event Feedback

EXHIBITOR TESTIMONIALS

RecruitMilitary always hosts top notch events. We met a lot of great candidates and made new connections through networking.

The support staff's helpfulness and QR scans are great.

The career fair has amazing talent. We would love to make them all offers.

We had a great experience and conversation with all candidates. We didn't find any technicians, but we were able to build a pipeline for other positions. I thought they did a nice job for the entire event. The room was a great size and it really gave the candidates a chance to connect with each booth.

Well worth your time! Good event. Always like supporting and speaking to our military members.

This was a well planned event by RecruitMilitary. Very professional setting, very supportive organization, from signup to the day of the event and more.

Great events -- well planned, well executed, and a good candidate pool.

Well run event with good communication. A positive experience with quality candidates. RecruitMilitary is a valid resource and I am looking forward to partnering with them in 2024.

Candidates met the needs of our company and the experience was smooth.

Very nice career fair to attend. You will meet great prospects for your company.

Solid job fair if you are looking to hire veterans and candidates leaving the military. This is a great opportunity to have a captive audience of smart individuals looking for opportunities.

It's a great opportunity to speak to a variety of companies in a short period of time.

Go check it out. Jobs are available from across America.

If you need a job, this job fair has many companies from all over so it would benefit you to go.

Good opportunity to meet with a lot of companies.

Well laid out, well attended, and it has plenty of space. It's PTSD friendly and the people were very helpful.

It's a good opportunity to land into a career job.

These events offer an opportunity to network and promote yourself.

I would say to 100% go as it is a great opportunity for veterans to have 1-on-1 talks with people in the role they could be targeting.

There is such a wide range of jobs there that it's highly unlikely you will walk away without a job interview.

Great way to be exposed to different companies in person.

Excellent networking opportunity for veterans interested in civilian jobs.

A great chance to have valuable conversations with real employers who want to talk and listen.

Great information about jobs.

Plenty of opportunities to land a job!
