EXHIBITOR TESTIMONIALS

This event is a top rated event. (Manufacturing recruiter)

This event definitely gets more candidate traffic than some of the non-military career fairs I have attended. (Education recruiter)

For veterans this is probably one of the single most applicable venues that I've attended concerning getting quality employment directly after retiring. (Government recruiter)

Well organized. Good pool of job seekers. It is one of the top job fairs. (Law Enforcement and Security recruiter)

Well organized, good communication, lunch was delish! (Financial Services recruiter)

It was one of the best organized recruiting events in which I have participated. (Pharmaceuticals & Biotechnology recruiter)

Candidate participation was higher than usual. Organization of event was strong. (Retail recruiter)

JOB SEEKER TESTIMONIALS

I'm in the final stage of the hiring process at the Credit Union. I've already interviewed and tested. They are just checking references now. I'm so excited! Thank you! (Army E-3)

Many opportunities to speak to employers and various universities. (Army Reserves O-5)

Great venue, excellent service. (Military widow)

Great positive atmosphere!! Love the respect and warm welcome from everyone!! (Army W-4)

It was worth the drive to downtown Austin. The free parking, number of companies, and atmosphere was awesome. (Army O-2)

I was interviewed by Intel at the job fair and I passed my interview. I never knew that such complex companies would hire military into entry level positions just on their experience. I am just so grateful that there are events like these that help out veterans. (Army E-6)
