EXHIBITOR TESTIMONIALS

I would recommend the event at Camp Pendleton. Quality candidates for sure.

The number of candidates at this career fair was a big success. I would say that was the best event we have been to through RecruitMilitary. Great job!

Good way to reach out to vets. I liked the individual QR codes that allowed us to get more information about each person who stopped by.

The opportunity to employ veterans will pay dividends to anyone willing to take advantage of this pool of talent.

Professional. QR code was great. Well run event with good candidates.

Communication before the event is AWESOME. I will always recommend RecruitMilitary. Also the database is a great tool.

Great service and support on-site.

It is a great networking event. I liked the constant flow of people and the maturity and great communication skills of the military personnel that stopped by our booth.

Event was everything as advertised and the facilitation was top notch.

This was a professional event in every aspect that I would be happy to recommend to any organization looking for employment candidates.

Overall great experience. We have already scheduled our next job fair with RM.

Great experience. Met some great candidates.

JOB SEEKER TESTIMONIALS

This was an excellent job fair for veterans! They had a fantastic range of industries represented. I made great connections and discovered exciting opportunities I hadn't considered before. The QR code system was so convenient! Overall, a highly productive fair with promising leads.

My experience with the Job Fair hosted at Camp Pendleton was extremely beneficial. Staff was attentive and very informative. Companies that attended were completely invested in the process of searching for employees.

Face-to-face with recruiters is much better than simply applying on-line and hoping. Make the time for your future!

Opportunity of a lifetime. Don't miss it.

This is the best way to get an idea of current job opportunities out there and make personal connections with a military advocate within hiring corporations.

The event is a good place to network with people from other organizations.

Amazing opportunity!

Awesome event.

It is a great opportunity to network and get your name out.

This is a great opportunity to share your unique skillset with potential employers who embrace diversity.

Take every opportunity you can to talk to people and find out what companies are looking for transitioning veterans.
