These events are always very well-run and make it easy for us to focus on recruiting.

The event was great. The location and facility are great, and thanks for always providing a good lunch. There are a lot of great quality vendors at the events, making it well worth the time of those looking for a job.

Great event. We look forward to the next one.

It's an amazing experience with a lot of good resources and an amazing staff. This job fair has everything you need to jump start your next or future career.

Strong military candidates.

This is the place to look for dedicated employees. I enjoyed my time and look forward to the next one.

This was our first ever RecruitMilitary event and we had success. It worked for us, so we would definitely recommend to someone else.

Great opportunity to network and meet quality potential employees. This is an excellent organization.

There was a good turnout. I like that it goes through lunch because candidates who can't make it otherwise can visit during their lunch periods. It is always a great event!

There were zero issues and I love participating in your events! Looking forward to the next time!

I've worked with RM for about 15 years and always enjoy the experience. You have access to already transitioned service members that TAP doesn't have.

Well run. Good facility. Excellent on-site staff.

### JOB SEEKER TESTIMONIALS

Great venue to meet with potential employers in multiple industries.

Was an awesome job fair!

The event was amazing! The people were great! They really were trying to get people on board and they had a lot of different opportunities to choose from.

Well organized program. It is likely you'll get employed if you qualify.

Very informative. Good event.

Take advantage of the resources!

It's an event to meet great companies.

Excellent event to attend to see what is out there for you when it comes to career paths.

A lot of job opportunities looking for veterans.

It was a very good event. Definitely would come back myself.

Go there with an open mind. This event will introduce you to so many unknown opportunities. Talk to EVERYONE, not just the fields you think you might have interest in. In fact, I would recommend talking to the companies that you know least about first.

You guys have awesome selections and help out a lot.

Excellent way to network and meet potential employers.
