It was a great event that had a busy flow of candidates who attended from start to finish.

Attending this event is a great opportunity to connect with various employers and professions. There is something for everybody.

Entering the base was easy, to include locating the facility. The DAV/RM representatives were amazing and very helpful.

This was a great event. Planned and executed professionally.

Very positive experience. A great opportunity for candidates and employers both.

Please do not change. All the volunteers were so nice. A very professional event.

RecruitMilitary events are very well organized and the value is worth the applicants you get.

Very well organized and thoughtfully laid-out. As a veteran myself and knowing the challenges we face, I've attended several hiring events, and this was one of the better one.

The participants were very knowledgeable. The preparation and the process was properly thought through and executed.

The experience was an overall great one. I learned so much from the candidates that we interacted with, and it felt heart warming to be amongst so many soldiers.

Plenty of potential applicants with positive attributes/work ethic. I liked the event!
