EXHIBITOR TESTIMONIALS

RecruitMilitary does a great job of not only setting up the career fairs, but making it an enjoyable experience for both the exhibitors and candidates. There is always a good number of candidates as well, and good quality candidates at that. I really enjoyed it.

Good location, well-attended, good caliber of attendees, good food! All in all, the event was great. We will attend again.

Very professionally run events and engagement by staff.

Really liked the QR code for resumes.

It was great. RecruitMilitary has been consistent in their presence in the Hampton Roads area. When they are a part of career fair, I know there's going to be a variety of quality employers on-site.

It was great. Smooth check in and setup. Great atmosphere.

The 'word' is out concerning RecruitMilitary and the quality of companies that attend their job fairs. I will always recommend going to an RM event to any veteran whom is serious about their employment.

Great chance to meet excellent people.

It was well done with a good flow of people. I liked the QR code -- thought that was awesome.

I was very impressed with the entire event. We had an amazing turn-out and an even better crop of candidates respond. I was very happy with how organized and well run the event was. I would absolutely recommend this event to anyone!

JOB SEEKER TESTIMONIALS

By attending this job fair, you will get questions answered in real time. The amount of information you can gather in an afternoon is remarkable. There will be less time wasted searching on-line and trying to see if the organization is the right fit for you.

The event was well organized. The QR code method of submitting your resume / personal information was excellent.

Great networking!

There was a large variety of potential employers.

Great place to talk to different people and network. Plus, it's a great place to ask questions about different industries and companies.

It was a long drive (80 mins from my cubicle), but worth the drive and the time I invested in pre-work.

It's a great opportunity to meet with recruiters from different industries you may not have considered before.

You have resources all around. Just reach out and they will shake your hand.

It is an outstanding event. I would recommend attendance.

Really valuable information and resources are available for veterans.

This is a great opportunity to meet new employers and the representatives are highly friendly and helpful.
