It is not uncommon for some candidates who attend to be displeased with the event because they did not secure the job they sought. We seek to continually improve the Career Fair experience for both clients and job seekers and will continue to explore ways to do so.

EXHIBITOR TESTIMONIALS

Professionally run, well-attended event. Highly recommended.

You can expect high caliber candidates coming from the military.

It was a good investment. We liked the quality of candidates we spoke to.

RecruitMilitary hosts some of the best events.

There was a large pool of applicants qualified for numerous positions. I will be recommending other departments attend these events.

Good attendance.

If you are looking for impressive veterans, this is the event to participate in.

This was my company's third RecruitMilitary career fair. The whole experience, from requesting an attendee quote to the fair itself, I am thoroughly impressed and feel it is well worth the investment.

Nice set up, professional and polite staff, QR code scanning is an effective way to collect data.

DAV/RM provides one of the premiere job fairs in the Hampton Roads area!

The Veterans Career Fair was well organized, communication was very good, the location and parking was easily accessible, DAV/RM staff was friendly, and the arrangement of the tables afforded vendors and candidates ample space to engage in meaningful conversations.

JOB SEEKER TESTIMONIALS

A must attend event.

Very organized and the QR system is great.

An opportunity to find different resources to help your transition.

Go to the event! There are good resources there.

Good opportunity to see organizations that are currently hiring.

Easy access. Diverse industry representation.

Great opportunity for veterans transitioning from the military.

It is a good way to get yourself seen by different employers.

It's a very good experience to see who's hiring and what is available. There are a lot of different jobs and employers that you probably haven't heard of before. You might just find one that you like that you never knew existed.

I loved the QR code access and suggest visiting every booth.

Definitely attend!

A lot of opportunities in one room.

You are missing out if you don't attend this event.

It was a great event.
