It is not uncommon for some candidates who attend to be displeased with the event because they did not secure the job they sought. We seek to continually improve the Career Fair experience for both clients and job seekers and will continue to explore ways to do so.

Event Feedback

EXHIBITOR TESTIMONIALS

One of the BEST out there! Technology is incredible and candidates were top notch!

JBLM is a great place to find quality candidates with a variety of experiences. This was a great event, plenty of prospects!

Good resources for veterans and employers to find each other. Easy flow of traffic and accessible to everyone who walked through. With the space available it made talking to veterans easy and manageable.

Very organized event. Lots of space. Great level of potential candidates.

Facility was great. Loved the setting. Was organized and easy to get set up. Many different areas of interest were represented by the employers who attended. Lots of opportunities to create connections and prepare for new careers all in one place.

Everything was great!

The candidate tracking that RecruitMilitary does is a fantastic resource/tool. The event was very organized and there was a good variety of employers present.

We have an amazing relationship and I love what DAV/RM does for veterans! Amazing candidates.

I think it is very beneficial way to get your organization name out there and network. It's a great way to meet new people to recruit. The process is fun and easy.

Good number of candidates and most were qualified and interested.

This was one of the BEST job fairs we've attended. We are excited to engage and use the QR codes.

JOB SEEKER TESTIMONIALS

Great resources available and employers are eager to hire.

It's a good event with a lot of opportunities.

Good opportunity to see what's available in the work sector.

Good variety of employers. Great assistance from the organizing team and extremely professional.

This is a great event. It's a great way to associate with and acquaint ones' self with the job seeking process.

You should go! There are a lot of companies there actively hiring veteran talent.

Make sure you upload resume and fill out QR code.

Best job fair organization and variety of prospective employers available on base.

It is always better to talk with an employee than blind apply on a website.

A great opportunity to meet with a variety of companies that are military friendly and understand how to translate military experience to civilian experience.

I think that these events will help in securing a position in a company that wants vets.

There are lots of opportunities available. Just check them out.

If you are going to attend a job fair on JBLM, this is the best one to attend by far. It has the most and most varied of employers.
